July 2009

MAYOR'S MESSAGE

Dear Community:

The month of July is a really exciting month for a couple of big reasons. First, SummerStage starts up this month and Kass Holde-
man and the entire DCC team have done a great job planning for another great year. Visit www.summerstage.net for a complete schedule of concerts. I know this year there are a number of great bands lined up for a great season. I want to personally thank Kass and the entire DCC for their hard work.

Secondly, this month the Main Street project will be nearly finished. I know you can't believe it, but there will be no more road closed signs, no more detour signs and most importantly you will have a great looking historic downtown area, complete with new sidewalks, art and, of course, no overhead power poles.

To help celebrate this grand event, the City is planning two public events. The first is set for July 29th at 2:00p.m. This is open to all and will showcase the different organizations present that provided us the resources to make the project a success. We have invited the Governor, the U.S. Senators and our U.S. Congressman to help celebrate this great project. The second event is set for August 1st at 11:00a.m. (Saturday) and is a public event as well and meant for those who couldn't make it to the week-day, workday grand opening on the 29th. The August event is where folks can experience the culture and history of our city as it's expressed in the project. It will be loaded with lots of great activities, so plan on attending either or both events and having a great time.

Many of you may have heard that our city has been invited to be a friendship city with a city from South Korea. As part of this process we are looking for folks that would like to serve on an advisory committee. This committee will help with building a cultural relationship with South Korea to help with fundraising for different events. Since the city's budget is tight, I do not want to spend any of your money on this program, so any help with fundraising would be much appreciated. It has the potential to be something great for our community, so if you want to be involved, please call me at 206-255-2855.

Finally, for those that want to meet with me, I will be at Starbucks on July 18th from 9-10:30a.m., so stop on by.

Thank you and enjoy your summer.
Will Ibershof

MAIN STREET CONSTRUCTION UPDATE

July will see many exciting events on the Main Street Project. The first will be the removal of the remaining poles and wire along the west side of the road beginning sometime the week of July 6th. Pieces of the Art Element will begin to be installed once these wires are removed and along with the completion of landscaping and patching, the project will be nearly complete toward the end of this month.

Please mark your calendars for the Main Street Open Houses scheduled for Wednesday, July 29th and Saturday, August 1st. The Duvall Cultural Commission is working with local businesses and other sponsors to help plan this great event on August 1st. Duvall's past and present will be celebrated and the project showcased as a part of this open house. Please check the City's website at <http://www.duvallwa.gov/index.html> for more information and details. Visit the Main Street website anytime for Traffic Alerts and Project Updates http://duvallwa.gov/mainstreet_08/index_mainst.html.

WE COULD NOT HAVE DONE IT WITHOUT YOU!

Duvall Days 2009 was only possible with the support of the many businesses and organizations who made donations to support our fantastic festival!

Thanks to Broadstripe for being the Title Sponsor this year! Thank you to Duvall Rotary for organizing the Parades and the Duvall Chamber of Commerce for organizing all the great vendors. Thrive Community Fitness brought you this year's Kid's Carnival and King County Library System brought you the Game On gaming corral. Northwest Art Center, once again, organized the annual Valley Art Show. Don't forget all the fun kid's activities like the balloon darts, and egg tosses which were organized by the Riverview Youth Council and the sack races by Young Life.

Other sponsors were Bearzabout, Murray Smith, KPG Inc., Lake Washington Technical College, Caron Nelson Glickman, DDS, Duvall Advanced Family Eye Care, School of Art & Innovation, Rod Nordberg, DDS, The Quilter's Garden, The Laurel Tree, and WMM, Inc.. Itchy Dog Productions created this year's Duvall Days poster, brochure, and the newspaper insert. Chapplesauce created the poster, brochure and map for the Valley Art Show.

A LETTER FROM DUVALL DAYS COORDINATOR

Hello Duvall:

I know it seems crazy but we are already starting the process for creating Duvall Days for next year. We have many exciting events planned that include our Duvall Days traditions and an abundance of new ideas. We are looking at creating several days over the summer next year that will enhance our community and have Duvall thrive.

If you would like to participate with us, WE WANT YOU. We are looking for fresh talent, ideas, wisdom, and enthusiasm. We have our kickoff meeting on July 22, 2009. The meeting will begin at 6:00p.m. and it will be at the Fire Station. Please come and get involved. We would love to have you. If you can't attend the meeting but would like to be involved please give me a call at 425-788-6949.

Thank you,

Kris Wentworth

DO NOT FEED THE WILDLIFE!

There has been an increase in raccoon activity in some of the neighborhoods in Duvall recently. Raccoons may be cute, but they can be dangerous.

The Department of Fish & Wildlife "*Living with Wildlife*" website recommends that you "Do not feed raccoons; Don't give raccoons access to garbage; and Put food in secure compost containers and clean up barbecue areas."

For more recommendations and information about raccoons and other local wildlife, visit their website at <http://wdfw.wa.gov/wlm/living/index.htm>.
